

Sumter County Veterans Memorial Park Dedicated to Veterans – Past, Present, and Future

The purpose of the Sumter County Veteran's Memorial Park is to pay tribute to the men and women who have served our country and provided us with the most precious gift of all, our freedom.

The Board of Sumter County Commissioners is proud to provide our community with the opportunity to purchase a paving brick engraved with a tribute to your loved ones who served in the United States Armed Forces.

What better way to pay tribute to our loved ones than by furthering an endeavor that will have an impact today and in the lives of future generations?
